The future of design is not what it used to be.

Saturday, November 7th, 8-5pm | UWM Student Union Ballroom | 2200 E Kenwood Blvd | Milwaukee, WI

AIGA-UWM proudly presents its 3rd annual DRIVEN Design Conference. Join the greater design community and enthusiasts as we explore the evolution of design, network with fellow designers, and learn about the past, present, and future of our craft.

With a full day of keynote speakers and breakout sessions, we will explore what the future of design holds for all of us. This is an opportunity for learning, growth, experience and networking that no designer, student, professional or enthusiast should miss out on.
